13. ONLINE CERTIFICATE PROGRAMME ON SEED SCIENCE & TECHNOLOGY

Name of Department-Botany

Name of the Activity- Certificate Programme on Seed Science & Technology

Date of activity-5th – 21st July 2021

Number of Participants- 116

Dept. of Botany, Sophia Girls' College, Ajmer in collaboration with St. Thomas College, Bhilai, Chhatisgarh organised this 15 days Certificate Programme on Seed science & technology with thefollowing objectives-

- To make the students understand the basics of Seed Morphology and Physiology
- To familiarise them with the role of seed in agriculture and forestry
- To introduce to basic technology used in seed industry
- Initiate research associated with seed storage and seed health
- Equip with skills to assess the seed quality for certification
- To encourage the students, learn beyond specified syllabus.

19 A NATIONAL WEBINAR ON "RELEVANCE OF INTERNATIONAL CERTIFICATION IN THE GLOBAL SCENARIO" IN COLLABORATION WITH, ISDC- INSTITUTE OF MANAGEMENT ACCOUNTANTS USA & ASSOCIATION OF CHARTERED CERTIFIEDACCOUNTANTS (UK), ISDC-DIGITAL MARKETING INSTITUTE, IRELAND AND ISDC - INSTITUTE OF ANALYTICS (IOA), UK

Date:24th June, 2021

20. INTERNSHIP WITH BARC

Date – 2nd -12th Nov 2020
Level – Departmental Linkage – Internship Program BARC, Jaipur
Venue – Online mode
Title of event – Internship Program
No. of Participants – 6 students

Six students of BA Eco Hons Part III have completed their internship of 10 days under the supervision of Dr. Nesar Ahmed Director, BARC, Jaipur through an online mode.
BARC, Budget Analysis Rajasthan Center, was set up in January 2002, was designed to help those working with the poor at the local levels, to learn how to use the budget data in their planning and advocacy work. The role of the Center is to analyze the Rajasthan state budgets and public policies from a pro-poor and marginalized people's perspective in an attempt to promote transparent, accountable, participatory governance, and a people-centered perspective with regard to the preparation and implementation of budgets. It seeks to attempt to build partnerships with members of the Budget Analysis network in India, and at the same time, to act as a "watch dog".
Students learnt how to find data, arrange it and analyze the same. They also learned how to do literature review and how to write report.

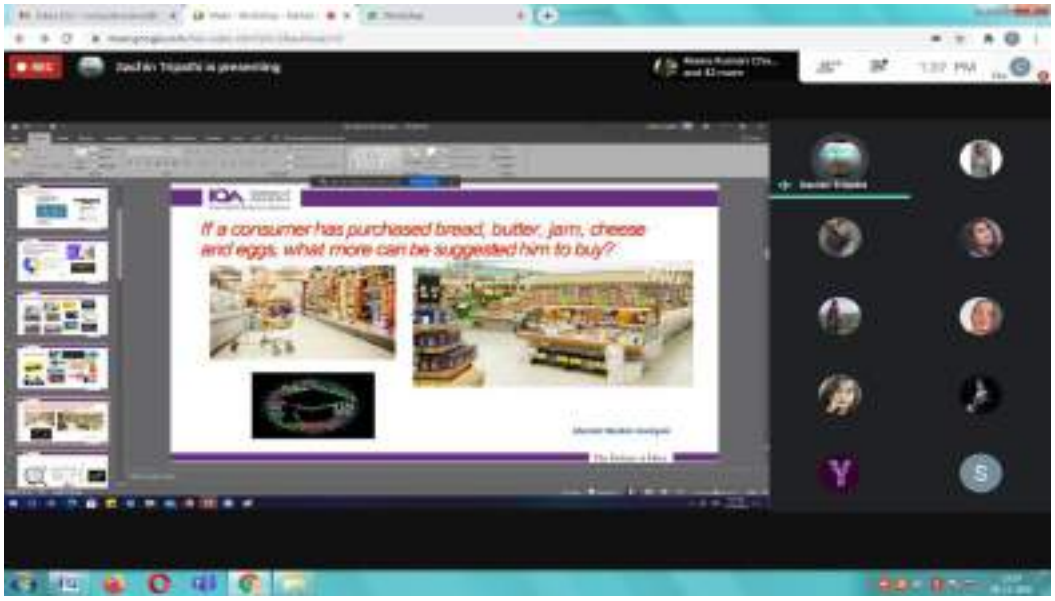
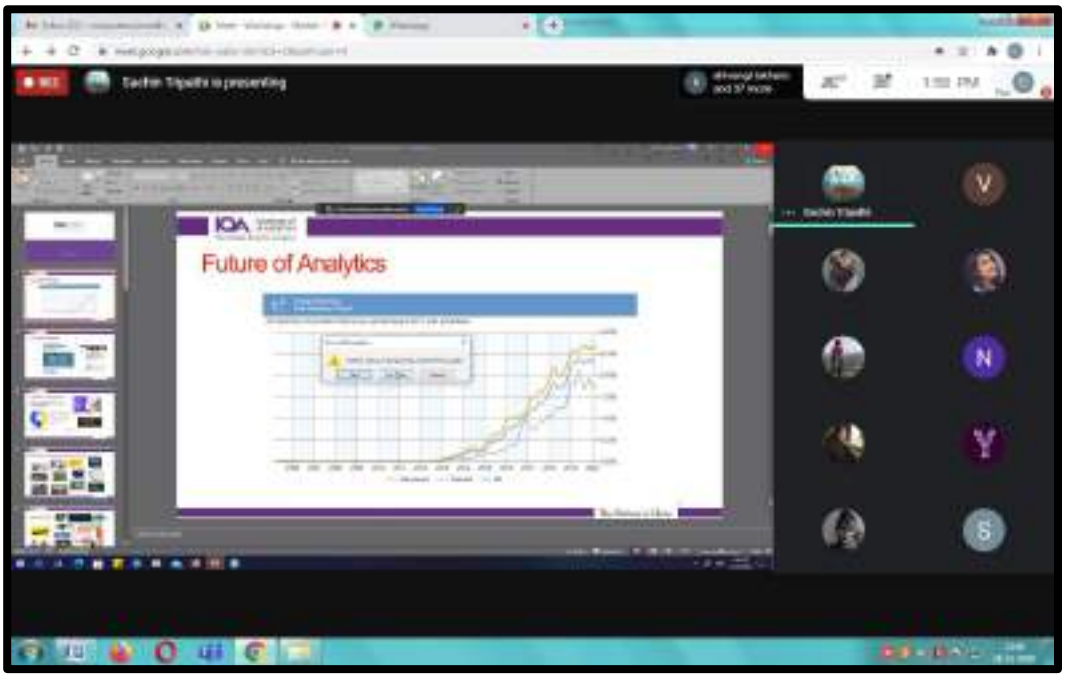
23. ONLINE WORKSHOP ON "MARKET RESEARCH ANALYSIS THROUGH DATA ANALYTICS USING R LANGUAGE"

Name of the Department: Computer Science
Date:28th November 2020
Total Number of the Students: 96 Platform: Google Meet
Resource Person: Prof. Sachin Tripathi, Product Lead – IT, ISDC.

The Department of Computer Science organized Online Workshop on "Market Research Analysis through Data Analytics Using R Language" in Collaboration with International Skill Development Cooperation New Delhi for the students of the Computer Science Department on 28th November 2020 at 12:30pm (Online). The workshop focused on the Data Analytics using R language. The resource person Mr. Sachin Tripathi is an expert trainer in the field of Data Analytics and Artificial Intelligence. He introduced different Data Analysis technologies such as t-test, ANOVA, regression, conjoint analysis, and factor analysis which are widely used in the marketing research areas of A/B Testing, consumer preference analysis, market segmentation, product pricing, sales driver analysis, and sales forecast etc. Traditionally the analysis tools are mainly SPSS and SAS, however, the open-source R language is catching up now and therefore he taught the students few basics of R language.





Sachin Tripathi is presenting
Future of Analytics

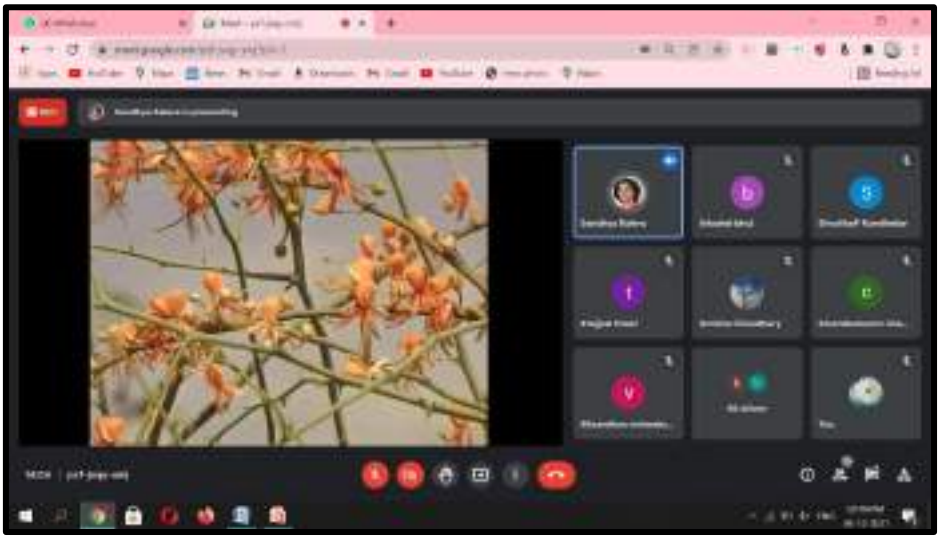
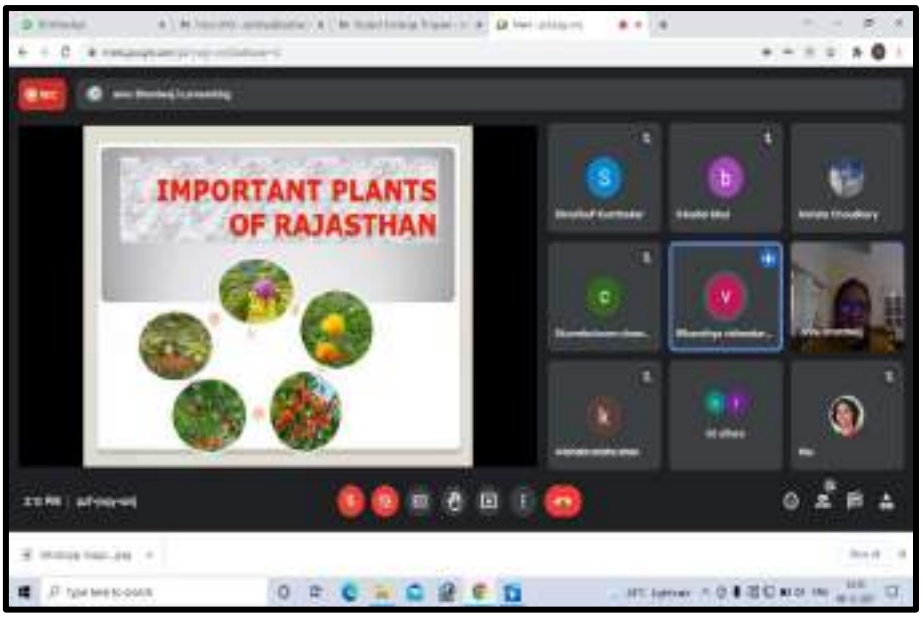
25. ONLINE BOTANICAL EXCURSION

Name of Department - Botany (Sophia Girls' College (Autonomous), Ajmer in collaboration with GNC of Arts, Science and Commerce, Mumbai
Date of activity - 6th December 2021
Number of Participants - 65
Venue - Online (Google Meet Platform)

Activity Coordinators -
1. Dr. Shrutika Kumthekar, HOD, Dept. of Botany, GNC of Arts, Science and Commerce, Mumbai, 9819174496
2. Dr. Sandhya, HOD, Dept. of Botany, Sophia Girls' College (Autonomous), Ajmer, 9460478918
3. Mrs. Annu Bhardwaj, Assistant Prof., Sophia Girls' College (Autonomous), Ajmer, 7976035388

In Collaboration with Guru Nanak College of Arts, Science and Commerce, Mumbai, the Department organized an **Online Excursion** for the students of both the colleges. This Student Exchange Programme would contribute in sharing the knowledge about plant diversity of Rajasthan and Mumbai.





IMPORTANT PLANTS
OF RAJASTHAN

SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER & GURU NANAK COLLEGE OF ARTS, SCIENCE AND COMMERCE, MUMBAI

DEPARTMENT OF BOTANY - ONLINE BOTANICAL EXCURSION (6/12/2021)

26. TWO DAYS INTERNATIONAL WEBINAR ON "EXPLORING THE PROPERTIES OF MATERIALS AT NANOSCALE"

A two-day international webinar entitled "**Exploring the Properties of Materials at Nanoscale**" was co-organized by the Department of Physics, Patna Women's College (autonomous) and Sophia Girls' College (autonomous) on the 9th and 10th of July 2021. The webinar was sincerely patronised by **Dr Sister M. Rashmi A.C.**, **Principal**, Patna Women's College and **Dr Sister Pearl, Principal**, Sophia Girls' College. **Dr Aprajita Krishna** and **Dr Deepmala** jointly convened the program. **Dr Amrita** was the organising secretary and Dr Kavita Verma and Dr Rohit Singh were the organisers of the webinar. A total of ca. 289 participants registered for the program.
Following the prayer, the second day started with the technical session. It commenced with the **moderation** by **Dr Deepmala**, the **Joint Convenor,** where the first resource person of the session, **Prof. Dr Babu Lal Ahuja,** Professor, University College of Science, Mohanlal Sukhadia University, Udaipur, was formally introduced. The topic of his talk was "**Study of Electronic Response Using Inelastic Scattering and DFT Calculations"**. The presentation took the participants from the basics of the Compton Effect, through its quantum mechanical relevance to devising and utilization of Compton Scattering Technique. It further provided a glimpse into exploring the corroboration of experimental findings and theoretical calculations using Density Functional Theory.

Further, **Dr Sandhya, Head, Department of Botany, Sophia Girls' College, Ajmer** introduced the attendees to the fourth and last resource person of the webinar, **Prof. Dr Prakash Chandra Agrawal**, Principal and Professor of Physics, Regional Institute of Education (N.C.E.R.T.), Bhubaneswar. The topic of his talk was "**Metallic Glasses to Bulk Metallic Glasses: Emerging Materials**". In his talk, Prof. Agrawal talked about the basics and his research findings in the field of metallic glasses. His talk intrigued the participants with many of the interesting properties that metallic glasses exhibit. Moreover, he also showed various unusual properties of these materials and their applications in a plethora of fields.

The second and the last day of the two-day webinar concluded with a **valedictory speech** by **Dr Sister Pearl** on the relevance of these webinars in the current world scenario. The vote of thanks was addressed by **Dr Deepmala** with a positive impression of such a fruitful and productive webinar. The participants were thankful to the patrons, convenors and

webinar organisers for giving them this platform to get acquainted with the current research activities being carried out across Indian and the globe.

06 Sunday, 11 JULY, 2021, Patna City JAGRITI TIMES

Webinar On "Investigating the Properties of Materials at Nanoscale" Held At Patna Women's College

@Garima Poddar

The webinar is being co-coordinated by the Department of Physics, Patna Women's College (self-governing) and Sophia Girls' College (self-sufficient) on the ninth and tenth of July 2021. The online course is as a rule truly disparaged by Dr Sister M. Rashmi A.C. Principal, Patna Women's College and Dr Sister Pearl, Principal, Sophia Girls' College. Dr Aprajita Krishna and Dr Deepmala jointly convening the program. Dr Anurita is the getting sorted out secretary and Dr Kavita Verma and Dr Rohit Singh are the coordinators of the online class. An aggregate of ca. 250 members enlisted for the program and ca. 200 members went to for the main day of the online class. The primary day begin with a debut address by Dr Krishna, Head, Department of Physics and Dean, National and International Collaborations Coordinator, Patna Women's College, the Convenor of the program. She officially expanded her appreciation to Dr Sister M. Rashmi A.C., Principal, Patna Women's College and Dr Sister Pearl, Principal, Sophia Girls' College, for empowering the association of a deductively edifying worldwide online course. Following the debut discourse, a welcome discourse was tended to by Dr Sister M. Rashmi and a prologue to the subject of the online course was given by Dr Sister Pearl. The specialized meeting initiated with the moderation by Dr Anurita, the Organising Secretary, where the principal asset individual of the session, Prof. Dr Anshul Srivastava, Professor, Banaras Hindu University was officially presented. As the topic of the online class was properties of materials at the nanoscale, Prof. Srivastava acquainted the participants with the intricate details of electron microscopy. The subject of the discussion was "Excursion from Eye to Electron Microscope". The show gave a brief look into electron microscope which is a fundamental device to describe materials of nanoscale measurements. Following the inquiry answer meeting to the principal discussion of the webinar, Dr Anurita introduced the participants to the second asset individual of the webinar, Prof. Dr Himanshu Narayan, Professor and Former Head, National University of Lesotho, Roma. The subject of the discussion was "Miracle of Nanoscience and Nanotechnology". In his discussion, Prof. Narayan discussed his exploration with different materials that display imminent applications in the fields of wastewater treatment, electrocatalysis and use of quick weighty particles in incorporating nano-grains of materials. After the discussion, a post-show question-answer meeting was led. The principal day of the two-day online class closed with a statement of gratitude tended to by Dr Anurita and with a ton of eagerness and inspirational perspective among the participants for another useful day.

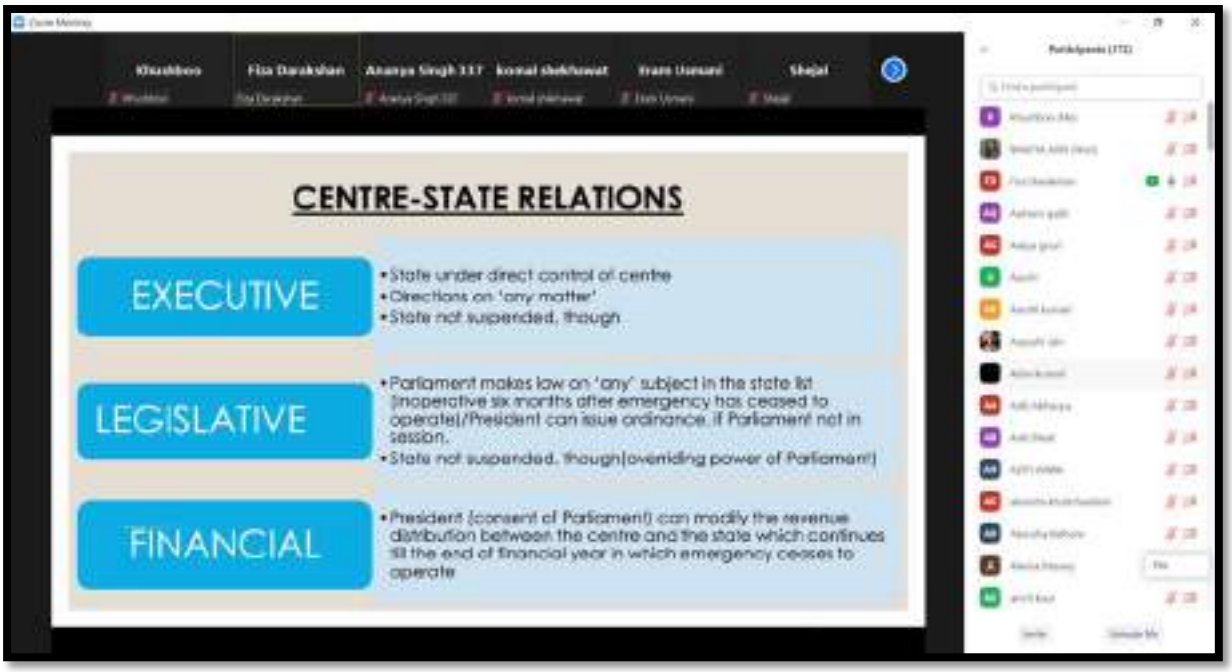
Faculty members of Sophia Girls' College, (Autonomous) Ajmer and Patna Women's College, Patna (Autonomous) of the Department of Political Science are jointly conducting a Student-Teacher Exchange Program. It is an ongoing activity that started in June 2021. Each session was well appreciated and looked forward to by the students of both the colleges, the exchange lectures were very enriching and generate meaningful discussions.



Khushboo
Dr.Jyoti Chandel
OVERVIEW:
PART XVIII(Eighteen)
Article 352- 360(9 articles)
Failure of Constitutional machinery/abnormal situation
Background- Government of India Act, 1935
(section 45-centre; section 93- provinces)
borrowed from the Weimar Constitution of Germany.
Rationale- to safeguard the sovereignty, unity, integrity and security of the country, the democratic political system and the constitution.
Emergency provision is a unique feature of Indian Constitution that allows the Centre to assume wide powers in order to handle 'special situations.'

O.C.

28. 30 DAYS "INTERNSHIP PROGRAM ON ADVANCED PYTHON PROGRAMMING"

Name of the Department: Computer Science

Name of the Activity: Internship Program by Pantech E-Learning

Date: 6th September 2021- 8th October 2021
Total Number of the Students: 44
Venue : Online Mode- Zoom

Report : The Students of the Department Of Computer Science took part in the 30 Day "Internship Program on Advanced Python Programming" organized by Pantech e-learning from 6th September 2021- 8th October 2021. The company offered best of their services to the students. The internship helped the students understand the concept of Python Programming and they were taught to make different projects using python during their internship period. This internship proved to be beneficial and fruitful for the students. And the students used best of their skills for the same. It was indeed a great learning opportunity for them.After the completion of the program the students were given a certificate of completion.

Learning Outcomes:
1. Explore career alternatives prior to graduation.
2. Integrate theory and practice.
3.Develop work habits and attitudes necessary for job success.
