About IGNOU, New Delhi

Introduction

The Indira Gandhi National Open University was established by an Act of Parliament in 1985 to achieve the following objectives:

- Democratising higher education by taking it to the doorsteps of the learners,
- Providing access to high quality education to all those who seek it irrespective of age, region, religion and gender,
- Offering need-based academic programmes by giving professional and vocational orientation to the courses, and
- Promoting and developing distance education in India.

Prominent Features

IGNOU has certain unique features such as:

- National jurisdiction with international presence
- Flexible admission rules
- Individualised study: flexibility in terms of place, pace and duration of study
- Use of latest information and communication technologies
- Nationwide student support services network
- Cost-effective programmes
- Modular approach to programmes
- Resource sharing, collaboration and networking with conventional universities, open universities and other institutions/organisations
- Socially and academically relevant programmes based on students' need analysis, and
- Convergence of open and conventional education systems
