We are well aware of the struggle and the financial crunch you are facing at this moment. Keeping this in mind, **the College Management has decided NOT to increase the College Fee for the Academic Year 2020-2021**. The Management has also resolved that the **College Tuition Fees** can be paid in **four instalments** (September, October, December and January) instead of the usual two instalments.

Hence, the students are hereby being informed that they should fill the **Online Readmission Form** from their student login and submit **only the Annual Fee online by 10<sup>th</sup> July 2020**.

**Online Classes** for Students of **Semester II and IV of UG and Semester II of PG** will begin from **1<sup>st</sup> July 2020**

**Important Reminder: *Those Students who have not paid the second instalment of the Tuition Fees - 2019 which were due in December 2019 are requested to pay the fees latest by 30th June 2020***

We the Sisters of Sophia College pray for you and your families daily as we pray for our Country and the whole World.

I urge all of you to make the best use of your time, stay positive, productive and pro-active.

**God Bless You,**

Sincerely,
