GET DUAL QUALIFICATION: UNIVERSITY DEGREE + MEMBERSHIP FROM IoA, UK

The Institute of Analytics (IoA) is the Professional Body for Analytics and Data Science Professionals in UK and International. IoA is a not-for- profit organization that exists to promote greater awareness, understanding and innovation in Analytics. IoA is fully supported in their mission by leading organizations in the sector.

Key Highlights

- The IoA membership may be a gateway to a more successful career in analytics.
- Learn the languages/tools like R Studio - R Programming, Python Programming, SQL, Big Data Analytics, Machine Learning & AI, Deep Learning, Natural Language Processing, and Computer Vision.
- All 8 papers of IoA is exempted from writing IoA examination.
- The trainers from ISDC would provide hands on training for 30 hours for each module.
- Trains student to understand how organizations make sense of data – a skill that is in growing in demand across a wide range of sectors.
- There is currently a shortage of graduates with sound business analytics skills, putting students in a good position to find a job once they graduate.
