2016-21

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust with 1000 words. (Relevant Information)

Sophia Girls' College (Autonomous), Ajmer

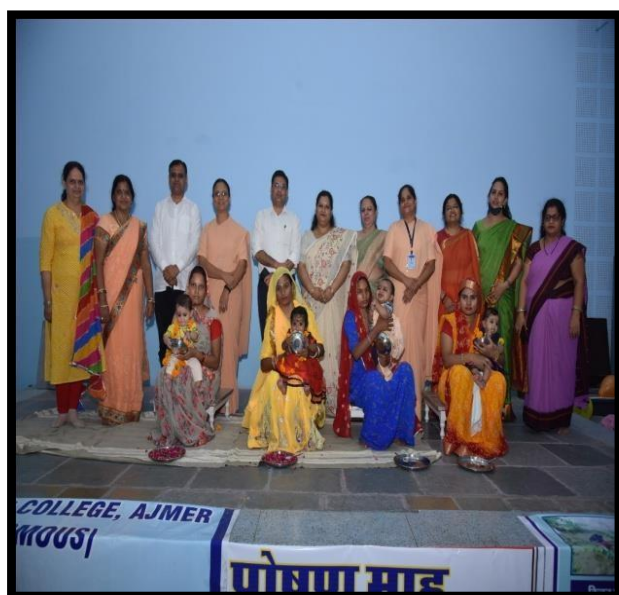

Institutional Distinctiveness

In a land where women still struggle to access education, Sophia Girls' College (Autonomous), Ajmer has stood firm on the sands of time to fulfil its founding vision of spreading education and empowering the women of tomorrow. Sophia breeds confidence, gives hope to dreams and instils courage to fight the odds in order to achieve the desired goals. Our curriculum enables the students to be curious, innovative and capable of facing the challenges of the outside world. The academic programs at both UG and PG level has been designed to cater to the current career avenues. NCC and NSS inculcate the zeal to give back to the Society. The outreach activities open new vistas of environmental concern and socio-political consciousness. The success of our effort is proven by the love and gratitude often expressed by the protégés of this prestigious institution. As beacons of hope, grit and gumption, our Alumni have made their presence felt in all spheres of life and their success stories fill us with joy and pride.

The following are some of the platforms through which the students are enabled to acquire holistic development and excel in their future.

The Women's Development Cell (W.D.C.)

This forum aims at sensitizing young girls on issues related to women; it empowers them by making them aware about their rights and potential.

Sophia Students' Association

All students are members of the Sophia Students Association. The Sophia Students Council consists of the Deputy Head Girls and Class Representatives who are nominated by the students. The members of the Sophia Students' Council develop qualities of leadership and the ability to work as a team.

Mentor Mentee System

The institution has a very unique Group Teacher System in order to build a healthy rapport with the students. Each group teacher has the special charge of about 30 students whom she meets once a week in an informal way to discuss their problems or areas of interest. A definite value education syllabus drawn by the senior teachers for all the faculties enables the inculcation of values in the students.

Personality Development and Value Education

The college has a Personality Development Cell which provides opportunities for holistic development of students, fosters skills for interpersonal relationships, improves communication, builds confidence and inculcates eternal values.

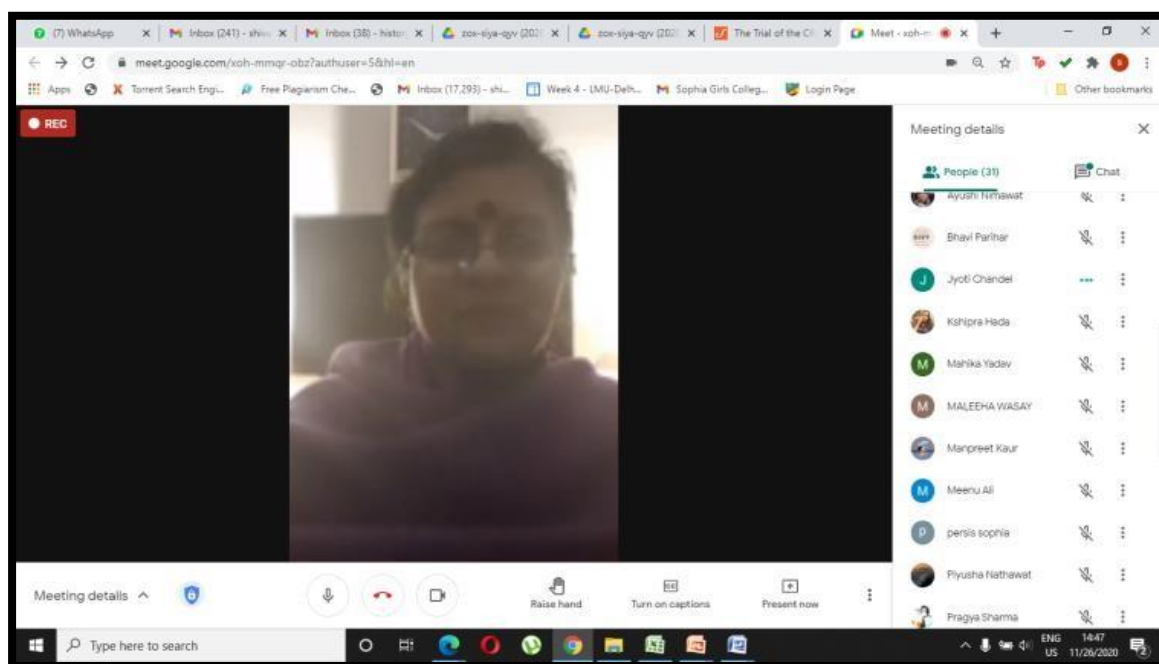

Speakers' Forum

The Forum holds meetings once a week where students who are interested in discussing issues of human interest can participate freely. It helps students to think, analyze and speak their thoughts loud and clear.

Talk on Indian Constitution

Career Guidance and Counselling Cell

Placement Assistance Cell

The college has Placement Cell wherein students are provided counselling and guidance services to explore and efficiently plan their career. Workshops and seminars are held to help students decide a career path according to their interests, aptitude and ability. The cell also provides placement services to the students by organizing campus interviews.

College Assembly

Morning assembly is an integral part of Sophia Girls' College's schedules which include prayers, information of latest happenings, inspiring thoughts, speech, news, the thought of the day, acknowledgment of achievers and address by the Principal who inspire the students with life teachings that facilitate mental and spiritual development. During the assembly, all the students of the College stand at the same place, as a part of an institution regardless of their culture, religion, etc. and a feeling of unity is aroused by this act. This feeling of unity stays forever in the student's mind and it leads to a happy society.

Family Life Education

Sophia Girls' College, Ajmer provides Family Life Education to final year students to help them in developing their physical, social, emotional and moral character in relation to the socio cultural aspects of the society. It helps the students in learning how to deal with physical, emotional and social changes faced in the process of growing up and the knowledge about different roles, function and maintenance of family. It also enables the students to develop the knowledge, values and the skills, which are necessary for adulthood, marriage and parenthood as well as for participation in community life.
