My Dear Students,

Greetings from the Principal!

This has been a tough and challenging time for all of us and I do hope that you and your families are safe. A true Sophian accepts every hurdle and deals with it gracefully. We are a big **Sophian Family** – the Management, the Staff, the Students, our Co-workers and the Alumni. *We love and care about each one of you and we support each other through our prayers.*

We are in this situation together and we will surely come out victorious. Just follow the instructions given to us to remain indoors, maintain social distancing, wear protective homemade masks, clean your hands with sanitizer or soap and water. Do not be upset but take this opportunity positively. Spend quality time with your family members, cultivate creative hobbies and register for online courses. A few links are as follows:

As per the guidelines of the **Directorate of College Education, Government of Rajasthan** the Summer Holidays have been pre-poned from **16th April to 31st May** instead of 15th May to 30th June.

Hopefully, the condition will be better and you will be having your **End Semester Exams in June**. The Teachers have been taking lots of trouble to prepare e – content material, pdf notes and take online classes for you. They will continue with the classes till the course is completed. You too spend your vacations creatively yet spend time to study for your End Semester Exams.

**We have something Special for all our SOPHIANS!!**
