IMA (Institute of Management Accountants) is the worldwide association of accountants and financial professionals in business. Founded in 1919, is one of the largest and most respected associations focused exclusively on advancing the management accounting profession.

Key Highlights

- The CMA certification may be a gateway to a more successful business career.
- Acquiring new skills, such as strategic insight.
- A variety of positions with titles from financial analyst to vice president, and controller.
- Greater credibility both domestically and abroad as a strategic advisor and business partner.
- Three exam testing windows offered each year January and February May and June, September and October.
- The trainers from ISDC would provide training for 60 hours for each part, that is, a total of 120 hours for both the papers. The training will be conducted in college.
- Students will be provided with Becker CMA excel Text Books, which is the official study material recommended by IMA. This is a comprehensive study kit to ace in the CMA exam.
