is organizing
WORKSHOP ON

ROBOTICS

Resource Person
JAYANT KHATRI
BITS Pilani, Hyderabad Campus

LAB III
Tarcisius Block

28 July 2023

1:00 PM

Report

Name of the Department: Computer Science

Name of the Activity: Workshop on Robotics

Total Number of the Students: 77

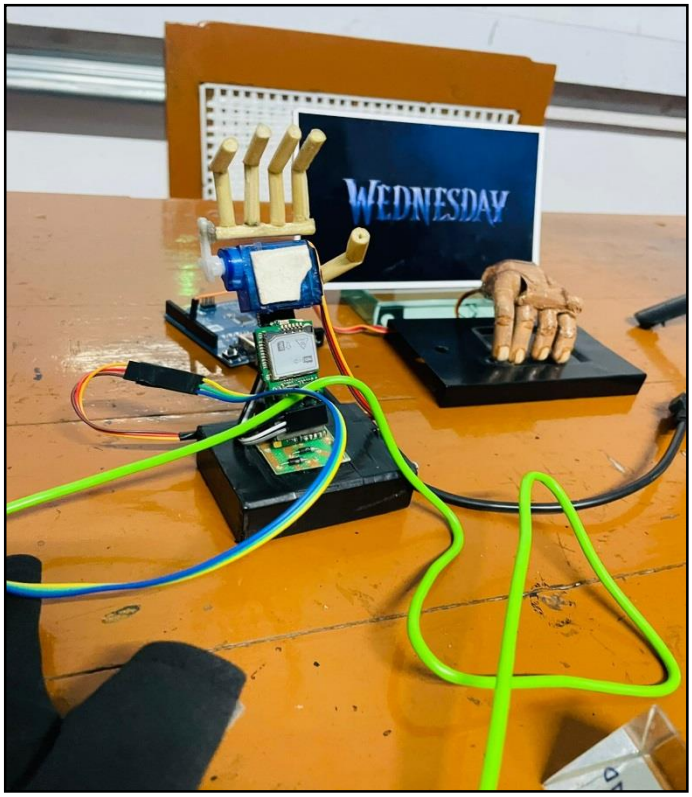
Date: 28th July 2023

Venue: Lab III

Report:

An interesting workshop was organized by the Computer Science Department in the Lab III on 28th July 2023 at 11:30 AM onwards. The resource person Mr. Jayant Khatri (Birla Institute of Technology and Science, Hyderabad Campus)reflected his profound knowledge onInterdisciplinary branch ofComputer Science andRobotics so that students can learn basics of Robotics and can be motivated to broaden the outlook of Robotics.This subtle change in perspective can have a profound impact on students' futures. This instills confidence in students. Specifically, it instills technological competence which helps in elevating the standard of living through technological & scientific advancements.

The informative workshop culminated with a vote of thanks proposed by the Head of the Computer Science Department Mr. Gautam Chaturvedi. An interactive concourse ignited the inquisitiveness of participants on this topic.



Learning Outcome:

1. Gives an idea of role of Robotics in the current scenario.
2. Career-wise exploration in the field of Robotics.
3. Knowledge about course pattern and modules.

Report

Name of the Department: Computer Science

Name of the Activity: Seminar on Empowering the Future Workforce: Strategies for Cultivating In-Demand IT Skills in Students.

Total Number of the Students: 184

Date: 24th August 2023

Venue: Auditorium

Report:

The seminarwas organized by the Computer Science Department in collaboration with R-CAT, Rajasthan aimed to address the growing demand for IT skills in the job market and strategize ways to equip students with the necessary competencies to meet these demands. The seminar commenced with a warm welcome extended by the organizing committee, emphasizing the importance of IT skills in today's world and the college's commitment to nurturing future-ready professionals.

Mr. Saumya Ranjan delivered an enlightening keynote address focusing on the current trends in the IT industry and the essential skills required for success. He emphasized the significance of adaptability, continuous learning, and problem-solving abilities in the ever-evolving IT landscape.

Ms. Vinita Srivastava provided insights into the initiatives undertaken by R-CAT Rajasthan to bridge the skill gap in the IT sector. She highlighted various programs and collaborations aimed at providing hands-on training and industry exposure to students, enabling them to be industry-ready upon graduation.

The Seminar on Empowering the Future Workforce provided a platform for students to gain valuable insights into the evolving IT industry and the skills required to succeed in it. The Seminar culminated with a vote of thanks proposed by the Head of the Computer Science Department Mr. Gautam Chaturvedi. An interactive concourse ignited the inquisitiveness of participants on this topic.

Learning Outcome:

1. Understanding Current IT Trends
2. Awareness of In-Demand IT Skills
3. Insights into Industry Initiatives
4. Empowerment for Career Success

DEPARTMENT OF COMPUTER SCIENCE
SOPHIA GIRLS' COLLEGE (AUTONOMOUS),
AJMER
IS ORGANISING A
Picnic
(To Jaipur)
on
TUE 29 AUGUST
TIME: 07:00 AM
Assembling Place : College Campus
Enjoy delicious food, fun activities and quality time in the great outdoors.

Report

Name of the Department: Computer Science

Name of the Activity: Picnic

Total Number of Students: 68

Venue: Pink Pearl, Jaipur.

Report:

The Department of Computer Science took an initiative to organize a picnic to Pink Pearl, Jaipur on 29th August 2023. Dancing and singing in the bus, we reached the place by 11:00 am. As soon as we reached, the breakfast was served to us, and then we changed and gathered for the swimming party and enjoyment in the pool. After a tiring and fun-packed afternoon, all headed for lunch. The dining hall, filled with the fragrance of food triggered our hunger and we all relished multi-cuisine food. It was indeed a valuable and positive experience for the students as they enjoyed their time with teachers.

.

Learning Outcome:

1. Gaining essential social skills and teamwork skills.
2. It helps to manage stress through busy lifestyle.
3. Picnic gives students a break from their studies and after enjoying a picnic, they feel fresh and renewed vigor.

Report

Name of the Department: Computer Science

Name of the Activity: Industry Academia Collaboration (Internship) Machine Learning/Python Programming

Date: 12th December 2023 (3 Months)

Total Number of the Students: 44

Venue: Department of Computer Science

Report: This internship was a strategic collaboration between The Department of Computer Science and IACT (International Academy for Certification and Training) Education Pvt. Ltd, designed to provide practical exposure to machine learning applications and Python programming. The internship focused on the application of machine learning techniques and Python programming within an industry setting. The collaboration aimed to bridge the gap between academic knowledge and practical industry skills, providing hands-on experience with real-world projects and advanced technologies. The primary goal was to apply theoretical concepts learned in academia to real-world industry challenges and contribute meaningfully to ongoing projects.

Learning Outcomes:

1. Gain practical experience in machine learning and Python programming.
2. Apply theoretical knowledge from academic studies to industry problems.
3. Develop and enhance skills in data analysis, model development, and software engineering.
4. Contribute to ongoing projects and support the team with innovative solutions. It also helps in application of ideas, theories & knowledge which ensure competence.

is organizing a

SOCIAL OUTREACH PROGRAM

Wednesday, 20th December

12:45 pm onwards

Join us!

||SHUBHDA||

..... A helping hand

Report

Name of the Department: Computer Science

Name of the Activity: Social Outreach Program

Total Number of the Students: 143

Date: 20th December 2023

Venue: Shubhda: A Helping Hand

Report:

The department of Computer Science initiated a social outreach program to understand the need for community engagement and social responsibility among students on 20th December at 12:45 PM onwards. All the students and staff members reached there at 01:00 PM. Upon reaching the school, the college students organized and participated in several activities. Games like disposal glass game, command and respond games were played, and at last prices awarded to the winners. Creative sessions such as painting, music, and drama were conducted to encourage self-expression and enhance sensory experiences.

This initiative was driven by the desire to promote inclusivity, empathy, and support for individuals with special needs within our community. Students underwent training themselves on interacting with individuals with special needs, understanding their challenges, and adapting activities accordingly.

Learning Outcome:

1. Students developed empathy, leadership skills, and a deeper understanding of diversity and inclusivity.
2. The program strengthened community bonds.
3. Students gained sense of social responsibility.

Report

Name of the Department: Computer Science

Name of the Activity: Mountain Trekking

Total Number of the Students: 54

Date: 9th March 2024

Report:

On 9th March 2024, students of computer science department embarked on a one-day mountain trekking expedition organized by The Department of Computer Science. The expedition aimed to provide students with an opportunity to engage in outdoor adventure activities, promote physical fitness, and foster personal growth and learning.Prior to the expedition, participants attended a briefing session to learn about safety protocols, route details, and equipment requirements.The expedition commenced with a scenic drive to the base of the mountain trail. Along the way, they engaged in team-building activities and encouraged each other to overcome obstacles. Upon reaching the summit, participants were rewarded with breathtaking panoramic views of the surrounding landscape. They celebrated their achievement with cheers, photographs, and a brief rest before beginning the descent.

Learning Outcomes:

1. Memorable and enriching outdoor adventure experience.
2. Learning how to overcoming obstacles.
3. Interactions with the natural environment increased student's appreciation for nature.

Name of the Department: Computer Science

Name of the Activity: Seminar on Generative Artificial Intelligence Use Cases & Applications

Total Number of the Students: 136

Date: 19th – 20th March 2024

Venue: Seminar Hall

Report:

The Department of Computer Science hosted a National Seminar on "Generative Artificial Intelligence: Use Cases & Applications" on March 19-20, 2024. This seminar aimed to explore the rapidly evolving field of Generative AI, discussing its diverse applications, emerging trends, and future directions.Offer insights into the latest advancements in Generative AI technologies and their practical applications across various industries. Facilitate networking and collaboration among professionals, researchers, and students interested in AI.

The day included keynote speeches from renowned experts such as Prof. Shandar Ahemad, Dr. Vivek Kumar and Dr. Rizwan Alam, who provided an overview of current trends and future possibilities in Generative AI. On the second day Prof. Swapnesh Taterh and Prof Sumit Srivastava shared their expertise with the participants their talks covered various topics, including AI-driven content creation, advancements in neural networks, and ethical considerations.

19.03.2024

Learning Outcome:

1. Gives an idea of role of Generative Artificial Intelligence Use Cases & Applications
2. Career-wise exploration in the field of GenAI.
3. Knowledge about course pattern and modules.

Dear Sir

With Greetings!

It gives me immense pleasure in informing you that, Department Of Computer Science, Sophia Girls' College (Autonomous), Ajmer is organizing a Two Day National Seminar on the 'Generative Artificial Intelligence Use Cases and Applications' on 19th & 20th March' 2024 in collaboration with the Association for Computing Machinery.

I would like to invite you as a resource person for delivering a lecture on the following:

Session III: -Topic- "Generative AI in Road Crash Accident"

Date: - 20th March' 2024

Time: - 09:30 am – 11:30 am

I would be grateful to you if you accept the invitation. It would be a great privilege and an honour if you give your consent to be the Resource Person. I would be obliged to hear from you as soon as possible.

Thanking you.

Yours sincerely
