

SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER

SESSION 2023-24

Criterion 2: Teaching, Learning and Evaluation

2.3.3 Ratio of students to mentor for academic and other related issues:

Mentor Mentee system

At Sophia Girls' College (Autonomous), Ajmer, nurturing and supporting students has always been a top priority. To foster a healthy relationship between students and faculty, the institution has implemented a distinctive Mentor-Mentee System. Each Mentor is assigned around 23 students and meets with them weekly in an informal setting to discuss their concerns, interests, and aspirations. A thoughtfully designed value education syllabus, curated by senior faculty members across all disciplines, further aids in instilling core values among students.

Student Mentoring Program

Mentoring at Sophia Girls' College is a one-on-one relationship that provides students with consistent guidance, encouragement, and support. Mentors serve as positive role models, offering concrete help to students, particularly those facing personal or academic challenges, or those simply seeking additional guidance. The mentoring program equips students with the skills and confidence to take charge of their future, enabling them to reach their full academic and personal potential. The institution ensures that every student receives the care, guidance, and support needed to foster personal growth and achieve academic excellence.

Responsibilities of Mentors:

- Maintain a comprehensive Mentor-Mentee Register.
- Keep a batch-wise Student Roll Call List.
- Maintain up-to-date contact details of students and their parents.
- Record academic results and performance.
- Document Mentor-Mentee Meetings.
- Provide counselling whenever necessary.
- Track and document students' achievements.

Mentor-Mentee System: Bridging Gaps

This effective system bridges the gap between students, mentors, and society at large. During their academic journey, students often encounter challenges—both academic and personal. To address these issues and unlock their potential, the Mentor-Mentee program provides personalized attention, regular interactions, and guidance.

Mentors counsel students on academics, offer career advice, and provide strategies to excel in examinations. They also assist with practical information about courses, fee structures, admissions, scholarships, and more. The program has significantly enhanced trust and communication between students and mentors, creating a supportive and empowering campus atmosphere.

Sophia Girls' College is committed to ensuring that every student is well-prepared for academic success and takes confident strides toward building a rewarding career.

MENTOR-MENTEE CIRCULAR 2023-24

With regard to the academic monitoring, the Mentor-Mentee list for the current academic year 2023-24 has been released herewith. The list shall be displayed in the department notice board and the HODs are requested to ensure the effective mentoring process in every department.

Mentors should guide and motivate their mentees to improve their academic performance and participation in Co-curricular and Extra-Curricular activities. Mentors should also address to their academic stress related issues in regular counselling sessions by creating an environment of trust and confidence.

All mentors are requested to do mentoring process as per the schedule and even maintain a record of the same.

If needed, interaction during free hours (Break and Lunch time) on all working days is also permitted. The faculty allotted to the mentee will remain the mentor until the student completes the program.
