# TIRANGA RALLY

Venue: Indoor Stadium  
Date: 13th August 2022.  
Time: 12:30pm onwards

**ORGANISED BY**

**DEPARTMENT OF COMPUTER SCIENCE  
SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER  
IN COLLABORATION WITH**

**CANTONMENT BOARD, AJMER**

(An Autonomous Body Under Ministry of Defence, Govt. Of India)

## **Report**

**Name of the Department:** Computer Science

**Name of the Activity:** Tiranga Rally

**Total Number of Students:** 92

**Venue:** Sophia Girls' College to Cantonment Board Office Kundan Nagar Ajmer

**Date:** 13<sup>th</sup> August 2022

### **REPORT:**

The Computer Science Department took an initiative to organize a Tiranga Rally as a part of “Har Ghar Tiranga” campaign to mark the occasion of 75years of India’s Independence at Sophia Girls College Ajmer. The students and the staff participated in it with pride and enthusiasm to showcase love for their nation. The students reported at 12:00 pm in the indoor stadium. The College also organized a flag distribution programme in the campus to facilitate “Har Ghar Tiranga” programme. The rally started from the indoor stadium of Sophia College and ended at The Cantonment Board Office Ajmer. The Rally was headed by the Principal Dr. Sr. Pearl and was followed by the students of the computer department. Holding the pride “The Tiranga” of our nation in our hands 92 students participated along with NCC cadets (both Naval and Army). This Rally strengthened the spirit of patriotism and nationalism. Throughout the Rally everyone chanted patriotic slogans.

### **Learning outcomes:**

1. It increases self awareness and sensitivity to others, teaching students to help around them.
2. It enables children to become influential decision makers as they take ownership of the one performance or activity they commit to performing on Independence Day.

3. It fosters confidence and self-esteem, as well as drive and perseverance in education.

## **DEPARTMENTAL ACTIVITY**

**2022-23**

**Name of the Department-** Chemistry

**Name of the Activity-** Industrial Visit to K .S. Super Chem (P) Pvt. Ltd. Kishangarh, Ajmer, Rajasthan

**Date of activity** – 7<sup>th</sup> October, 2022

**Number of Participants** – 23

**Venue**– K.S. Super Chem (P) Pvt. Ltd. Kishangarh, Ajmer, Rajasthan

### **Objective of the Activity –**

Industrial Visit is considered as an important part of college curriculum. In this modern and competitive world, theoretical knowledge is just not enough for a successful career. The main focus of industrial visit was to provide students a perception about the manufacturing and processing techniques within the industries. The visit provided an opportunity for the students to understand the practical aspect of industrial production and especially the production of Sodium Sulphite and Sodium Metabisulphite in a better way.

### **Learning Outcome–**

Students got an experience to know more about the industrial application of chemical sciences. Beyond academics, industrial visit provides students a much relevant practical perspective of the manufacturing unit.

**Name Of The Activity:** Educational Visit to Labour Department and Government Observation Home

**Level:** Department Level

**Date:** 14<sup>th</sup> October 2022

**Total Students:** 25

### **Description:**

Students of the B.A. IInd Year visited the Labour department, where Mr. Asif Khan, Mrs. Priyanka enlightened the students with the working of the department. They informed that the main responsibility of the department is to protect and safeguard the interests of the workers along with those who constitute the poor, deprived and disadvantaged sections of the society. It also ensures for the welfare of work force involved in organized and unorganized sectors. This visit enhanced the students knowledge about the Labour laws and policies with special reference to Child Labour.

On the same day Students also visited Government observation home where Mr. Abhishek Gujrati informed about the working of the institution stating that The Juvenile justice system is created to safeguard the rights and welfare of children who are in violation of the law. The observation home tries to re-socialize delinquents by offering them access to education, skill development programs counselling services and other necessary interventions.

## DEPARTMENT OF COMPUTER SCIENCE SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER

**Name of Department-Computer Science**

**Title of the Event-Internship**

**Number of Participants-31**

**Report:**

The students of UG and PG completed the internships from various organizations. The benefits of computer science internships are that they bridge the gap between theoretical classroom learning and real-world application. Interns have the chance to see firsthand how the concepts they have learned in class translate to practical solutions. This hands-on experience helps to solidify their understanding of computer science principles and prepares them for the challenges they may encounter in their careers.

## Report

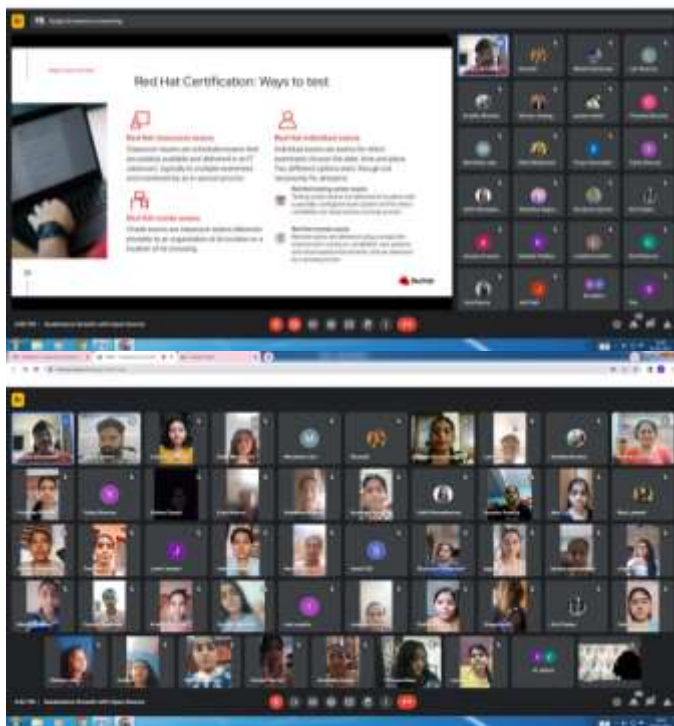

**Name of the Department:** Computer Science

**Name of the Activity:** Sustenance Growth with Open Source Software

**Total Number of the Students:**72

**Venue:** Google Meet

**Report:** The Department of Computer Science took an initiative to organize an online session on Red Hat technologies which was conducted for students on **5<sup>th</sup> May 2023**, aiming to provide them with insights into the world of open-source software and the benefits of using Red Hat solutions. The session was organized to introduce students to the fundamental concepts of Red Hat, its significance in the IT industry, and how it can contribute to their career growth. Students not only learned about Red Hat's solutions but also gained insights into the broader open-source community and the benefits it offers. This session undoubtedly contributed to their technical knowledge and potential career growth.

**Learning Outcome:**

1. Gives an idea of role of Red Hat in the current scenario
2. Career-wise exploration of open-source software
3. Knowledge about course pattern and modules
