Through simulated parliamentary sessions, students delved into legislative processes, and honed public speaking, critical thinking, and leadership abilities. They gained a deeper understanding of democracy's workings and their civic responsibilities. The Youth Parliament served as a transformative platform, empowering students to become informed, proactive leaders shaping the future of governance and democracy.

### ACTIVITY DETAILS-

- **Title of the Play:** *The Refund* by FritzaKarinthy

- To make students capable of managing events.

**DESCRIPTION:** The play “Refund” is a synthesis of humour and satire. Fritz Karinthy, a Hungarian dramatist, criticizes the present system of education, which does not prepare students for their career. The main character in the play is Wasserkopf. Wasserkopf in German means one with a “waterhead,” an eccentric person. He is forty years old, yet he remains unemployed. Wherever he goes, the people tell him that he is fit for nothing. They tell him that he has not learnt anything in his school. The play deals with an extraordinarily ludicrous situation. It also shows the ability of the teachers to manage the situation and how they tackle Wasserkopf without spoiling the reputation of their school.

**REPORT ON MANAGEMENT DAY CELEBRATION 2023-24**  
**(13-09-2023)**

Management Day 2023-24 was celebrated on the 13<sup>th</sup> of September, 2023, with great zeal and enthusiasm. In the beginning of the function, the members of the Management Committee I'e', The Mission Sisters of Ajmer were greeted and welcomed by the Teachers and students. The programme began with the prayer service conducted by the students of Good News Group. Thereafter, all the Sisters were presented saplings and cards as a small token of love and appreciation from the students and teachers. Students performed a skit on the life of religious people and the problems, difficulties and conflicts that they encounter in the everyday lives. This was followed by a few dance performances by the students. A few teachers and students were called to present their thoughts and views on the occasion. In addition to this a few games were conducted for the sisters in which they won attractive prizes.

At the end, Prof. Sr. Pearl addressed the gathering and thanked everyone for making this day a memorable one.

## **Brief write up highlighting the major features of the event-**

### **Synergy 2024**

Bioscope - The Movie Club organized the “Movie Screening and Review Writing Competition” on 5<sup>th</sup> March 2024 under aegis of International Staff and Student Exchange Programme .

Various students of different Colleges saw the movie and participated in the competition .Each student was given 15 minutes to compile their thoughts on the paper in about 100 words.

The documentary is about a Tamil couple who fosters orphaned elephants.This film does a good job of humanizing elephants.

The objective was to inculcate their interest in these types of movies and understand the motto of Director behind this. The story exhibits that with love and care everything is possible even rescuing baby elephants. What we learn from it is that by staying connected to wildlife, we understand ourselves better.

**Learning Outcome** - It teaches us ‘No matter who you are, what religion, colour or race, we are all a part of the Earth and we unite as one in this shared landscapes.
