Student Orientation Program

An **orientation program** for students was planned to introduce students to both the academic and social aspects of an institution. It basically aimed to provide students with the tools that they will need to be successful within their academic, such as acquainting them with their campus and the academic supports available to them, as well as providing them with opportunities to meet their fellow students and build meaningful connections.

TIRANGA RALLY

Venue: Indoor Stadium
Date: 13th August 2022.
Time: 12:30pm onwards

ORGANISED BY
DEPARTMENT OF COMPUTER SCIENCE
SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER
IN COLLABORATION WITH

CANTONMENT BOARD, AJMER
(An Autonomous Body Under Ministry of Defence, Govt. Of India)

Report

Name of the Department: Computer Science

Name of the Activity: Tiranga Rally

Total Number of Students: 92

Venue: Sophia Girls' College to Cantonment Board Office Kundan Nagar, Ajmer

Date: 13th August 2022

REPORT:

The Computer Science Department took an initiative to organize a Tiranga Rally as a part of "Har Ghar Tiranga" campaign to mark the occasion of 75 years of India's Independence at Sophia Girls College Ajmer. The students and the staff participated in it with pride and enthusiasm to showcase love for their nation. The students reported at 12:00 pm in the indoor stadium. The College also organized a flag distribution programme in the campus to facilitate "Har Ghar Tiranga" programme. The rally started from the indoor stadium of Sophia College and ended at The Cantonment Board Office Ajmer. The Rally was headed by the Principal Dr. Sr. Pearl and was followed by the students of the computer department. Holding the pride "The Tiranga" of our nation in our hands 92 students participated along with NCC cadets (both Naval and Army). This Rally strengthened the spirit of patriotism and nationalism. Through out the Rally everyone chanted patriotic slogans.

Learning outcomes:

1. It increases self awareness and sensitivity to others, teaching students to help around them.
2. It enables children to become influential decision makers as they take ownership of the one performance or activity they commit to performing on Independence Day.
3. It fosters confidence and self-esteem, as well as drive and perseverance in education.

Students of the Department of Commerce and Management from Sophia Girls’ College, Ajmer participated in an International Conference in the Series Youth 2025: organized by Jaipuria Institute of Management, Jaipur.

The session helped impart knowledge about the different leadership elements. It helped in making the students aware of the various practical leadership challenges encountered in creating a conducive environment for the growth of an organization. The conference was extremely interactive, further enabling the leaders to express their vision for future organizations.

LaveenaRupani& Vinita Lakhani from our college was also awarded during the conference for their poster presentation on the topic- Carbon Credit: India Achieving its Net 0 Goals.

Learning Outcome:

- Helped develop perspectives about the various leadership styles used in today’s challenging environment.
- Provided ideas to innovate, collaborate and assimilate new & fresh approaches to deal with complex times.

Organized by
Department of Economics &
Department of Computer Science

Sponsored by
International Skill Development
Corporation, UK
Institute of Analytics, UK

20th – 22nd Feb' 2023

About the Workshop

Research is one of the core components of higher education and higher education institutions (HEIs) are expected to create and disseminate knowledge to the society through students and professionals. Updating one's knowledge is indispensable in fields that have practical and technological implications. To address the challenges and capitalize on the opportunities in the field of research, numerous software have been developed. SPSS is one of the most popular software used by the researchers and professionals.

Objective

The main objective of the present Workshop is to enhance the knowledge in Statistical Analysis and Interpretation through SPSS. The workshop aims to provide sound fundamental base to the concepts of data analysis and hands-on training.

Outcome

After the completion of the workshop the participants will be able to:

- i) Select appropriate research methods for conducting empirical research.
- ii) Select appropriate statistical tool for the analysis.
- iii) Interpret data using SPSS and R Programming.

Target Group

- i) Research Scholars
- ii) Academicians
- iii) Professionals

Name of the Department: Computer Science & Economics Department

Name of the Activity: International Workshop on Data Analysis using SPSS and R-language

Total Number of the Students:

50**Date:** 20th – 22nd February

2023**Venue:** Computer Science

Department Report:

The workshop was inaugurated with the lighting of the lamp by our Chief Guest and Keynote Speaker Mr. Vinod Kumar Murti, our Principal and Patron of the International Workshop Prof. Sister Pearl, co-patron Sr. Rani, Convener Ms. Divya Mishra, Co-Convener Mr. Gautam Chaturvedi.

Sr. Pearl invoked God's blessings on the workshop and the participants.

Ms. Divya Mishra, Convener of the Workshop, familiarized the participants with the agenda and objectives of the workshop by reading the concept note.

Our Keynote Speaker Mr. Vinod Kumar Murti National Head-IT ISDC, UK addressed the gathering on the use and importance of “Data Analysis using SPSS and R Language”.

Sir Vinod Kumar Murti, talked about data view and variable view, creating a dataset on variable view, correlation of variables, tools in SPSS, methodology to solve the undertaken task, implementation of the proposed work, analysis and comparing the current and published results.

Dr. Surender Kumar Kulshrestha, Asst. Prof., Department of Economics, Vardhman Mahaveer Open University, Kota.

Participants also learned to create a questionnaire and performed operations on the dataset.

Dr. Surender Kumar Kulshrestha shared information on Data Analysis using SPSS. The afternoon session was conducted by Prof. & Director, Sumit Shrivastava, Dept of Information Technology, Manipal University, Jaipur. The participants were made familiar with R programming (R studio) that included hands-on practice on classifiers–Linear and logistic regression.

Dr. Ruchi Kawatra Associate Professor in Computer Science & Engineering at SRM University Delhi-NCR. She apprised the participants of the usage of data visualization in R language.

Dr Clare Walsh, Head of Education, Institute of Analytics, London, UK. She explained the usage of data analysis not just for the big giants like Google or Facebook, but also for small businesses, retail companies, in medicine, and even in the world of sports.

Learning Outcome:

1. Students will develop the ability to select appropriate research methods for conducting empirical research.
2. Select appropriate statistical tools for the analysis.
3. Interpret data using SPSS and R Programming.
