Two-Day International Conference on Human Rights & Climate Change

ABOUT THE COLLEGE

Sophia Girls' College (Autonomous), Ajmer is an 'A+ Grade' accredited Institute by NAAC (UGC) and is affiliated with Maharaja Dhanraj Sarsawat University, Ajmer.

Since 1959 the College has been imparting quality higher education through its dedicated and conscientious staff with high academic credentials and a diversity of courses. To inculcate scholarly excellence and make globally competent citizens, the Institution offers General, Skill Enhancement, Vocational & Diploma Courses for students.

The College and MHRD recognized Institutional Innovation Cell which has helped inculcate entrepreneurial skills among students. The college also offers Cambridge English Level Certification, Diploma in French from the French Embassy; ISRO & DST sponsored programs under its aegis. As an initiative, for Institutional, Social and Environmental Responsibility, the College has developed a 'Sustainable Environment' by developing Biogas and Waste Harvesting Systems and is one of the fully solar-electricity campus in Rajasthan.

ABOUT THE DEPARTMENT

Established in 1959, the Department of Political Science aims at creating political awakening and enlightening young minds with holistic Political education.

In 2017, the Department also introduced a Post-Graduate course that aims at cultivating proficient scholars. Through academic courses and activities, the Department gives a platform to explore diverse political spectrum.

Students interact with different area experts and resource persons through seminars, conferences, lectures, and workshops organized by the department and in collaboration with other research institutes.

No. of Participants - 203

Description - Department of Political Science organized a Two-Day International Conference on

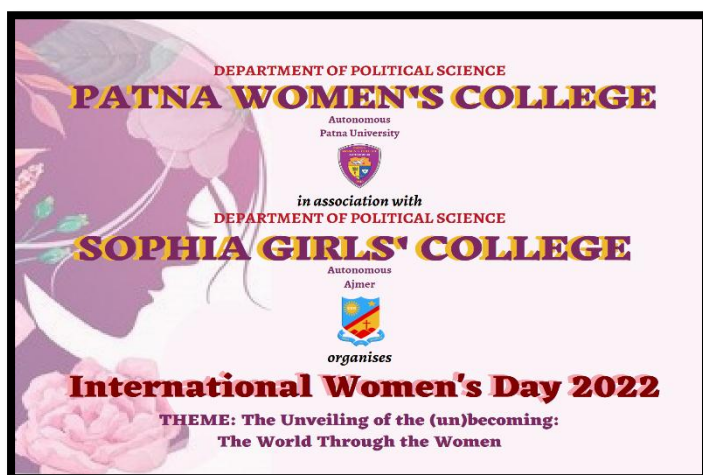

Human Rights & Climate Change on 17th & 18th April, 2023.

Objective –

The primary goal was to provide students with an opportunity to gain a broader perspective on the issues of Human Rights & Climate Change. Students got the opportunity to get acquainted with the long-term shifts in temperatures and weather patterns have undeniable effects on the effective enjoyment of human rights, posing a serious risk to the fundamental rights to life, health, food and an adequate standard of living of individuals and communities across the world.

International Women's Day Exchange Programme, 2022

Date of the Activity- 26th February, 5th March & 8th March
Level -
Inter-Collegiate
Venue -
Online Platform
Title of the Event
- Three Day International Women's Day, 2022 Celebration
Number of Participants -

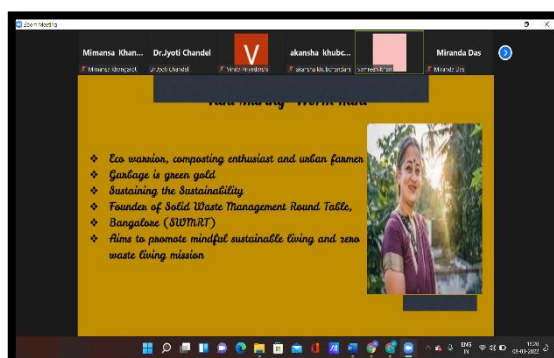

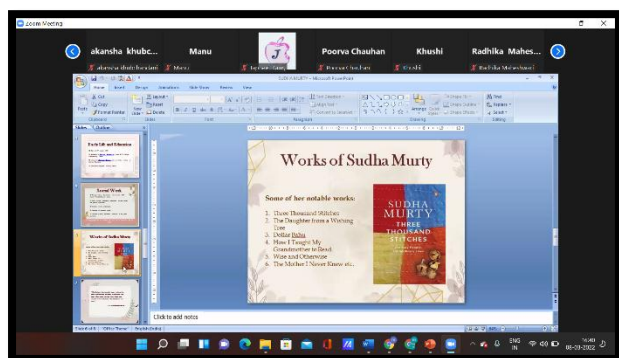

167

Description -

Faculty members of Sophia Girls' College, (Autonomous) Ajmer and Patna Women's College, Patna (Autonomous) of the Department of Political Science jointly organized Three Day International Women's Day, 2022 Lecture Series. The session was about exhibiting and discussing women's participation in historical events through the medium of photographs and videos. The objective was to witness the historical moments in which women played an integral role through the audio-visual medium. The Photos were collected from books, newspapers and online resources.

Learning Outcome -

The purpose of this activity is to provide a platform for a mutual learning experience, exposure, and growth opportunities to the students. It also encourages discussions on various contemporary issues with a vibrant and diverse faculty from both institutions. It creates a greater bond among the concerned institutions as well as the students.

Student-Faculty Exchange Programme

Number of Participants:
56

Report

On 8th August 2022,
Floricans the Zoology
Forum organized an
educational tour to
Nahargarh Biological Park,
Jaipur. 56 students of B.Sc
Biology SEM III and SEM

V had gone for the tour. They were accompanied by 3 faculty members
Nahargarh Biological Park encompasses a large area of 720 hectares and is famous for
its flora and fauna. The best part of the park is that one can watch animals like Leopard,
Indian Wolf, Hyenas, Jackals, Crocodiles, Wild Boar, Black bear, etc. in big open
enclosures in their natural habitat. It is a rescue centre for many animals.

Learning Objective

The main objective of the visit was to educate students about the flora and fauna of
that area and to conserve and conduct research on them. The students submitted a
report of the same. The visit was a wonderful learning experience for the students.

Synergy 2022 Conclave

Date: 20.01.2023
Venue: St. Xaviers College, Jaipur
Title of the Event: Synergy 2022 Conclave
Number of Students: 15
Description: A visit of students to an Economics Fest organized by St. Xavier's, Jaipur wherein total 15 students from 2nd and 3rd Year from economics Honors

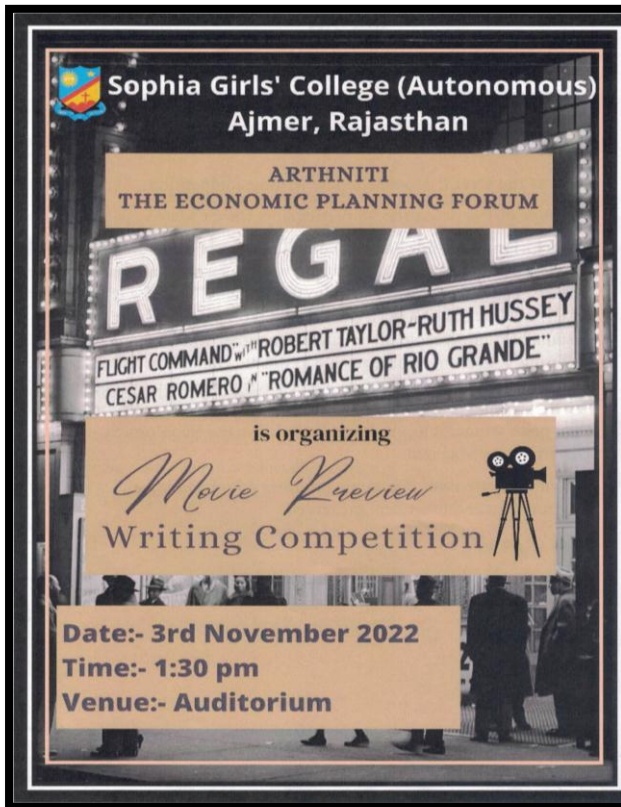

and B.A. Pass Course will be representing Sophia. The students got the chance to attend a seminar on “Synergizing the ideas on Indian Economy @ 2030” from the prominent speakers Dr. N.R. Bhanumurti, Dr. Ashwini Kswami, Ms. Puja Mehra and Dr. Ankush Agarwal.

It was a fruitful session from which the students got to learn about the reforms and coming challenges faced by India and the new strategies that need to bring in the economy.

Learning Outcome: It helped the students to foster social interaction and managerial skills.

Movie Review Writing Competition

REPORT

ARTH-NITI- THE ECONOMIC PLANNING FORUM

Date: 3rd November 2022

Venue: Auditorium

Title of the Event: Movie Review writing competition

Number of Participants: 38 participants

Description: Arth-niti The Economic Planning Forum organized a Movie Review Writing Competition, whereby a short animated movie named "Tomorrow" was shown to the students. The movie was based on CLIMATE CHANGE (it described 2 worlds, one where there was sustainable and liveable planet and the another where people were suffering with many problems due to drastic changes in the environment due to economic progression in a non-environmental way, and with small steps and practices we can save nature and still can progress). The First prize winner's Review was included in the Econ'omica – the Departmental Magazine

Learning Outcome: Economic progress goes hand in hand with Environment and must kept preserved.

E-CERTIFICATE WILL BE ISSUED TO ALL THE PARTICIPANTS

Name of the forum: Bioscope the Movie Club **Date of activity:** 3rd September, 2022

Level of Event: Institutional level

Title of the Event: Movie Review Writing Competition

Mode: Online

Number of Participants: 34

'Bioscope' The movie club had conducted the Movie Review Writing Competition on the short movie "Overload". The movie review should be 500 words and the last date of submission was 3rd September, 2022. Total entries were 34. The winning students were awarded with 'certificate of appreciation' apart from the

'certificate of participation' being provided to each participant. The objective of the competition was to inculcate their interest in these types of short movies and understand the motto of Director behind this. The story depicts the mental disabilities of all those who are apparently and physically fit and the maturity of the girl who proves that physical disability is not the biggest of problems. The film so short, drives home a powerful message and challenges the modes of thinking of persons – be it their imprisonment within their selves and their affairs, or be it the stereotypes in the society as to who is able and who is disabled!

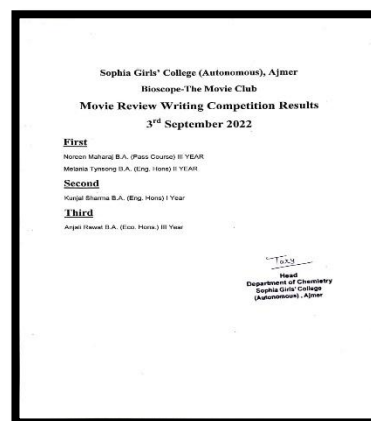

Learning Outcome - This activity enhances the ability of Review Writing.

Movie Review Writing Competition

Name of the forum: Bioscope the Movie Club **Date of activity:** 31st March, 2023

Level of Event: Institutional level

Title of the Event: Movie Review Writing Competition

Mode: Online

Number of Participants: 26

Brief write up highlighting the major features of the event-

‘Bioscope - The Movie Club organized the “Movie Review Writing Competition” on 31st March 2023 on a short movie Batti.

26 students participated in the competition. The objective of the competition was to inculcate their interest in these types of short movies

and understand the motto of Director behind this. The story exhibits what we see is not always true, but the way we perceive the world around us depends on our ethos. How often and quick do we judge people with their appearances and create a background in our minds, even without knowing them a bit.

The theme of the film, ‘Don’t Judge’, is what we need to break the shackles of stereotypes, wrong judgements and prejudices for the choices we willingly make and for some situations that don’t give us choices to choose from.

Learning Outcome - This activity enhances the ability of Review Writing.

IT IS COMPULSORY FOR ALL FIRST YEAR STUDENTS TO PARTICIPATE

Sophia Girls' College (Autonomous), Ajmer has organized HUNAR- Talent Hunt on 30th July 2022 from 11 am to 1 pm.

Talent Hunt is an event, which gives a platform to students to represent their talents in any field. It not only helps the participating students to show their abilities but also motivates other students, to come up front and show their hidden potential.

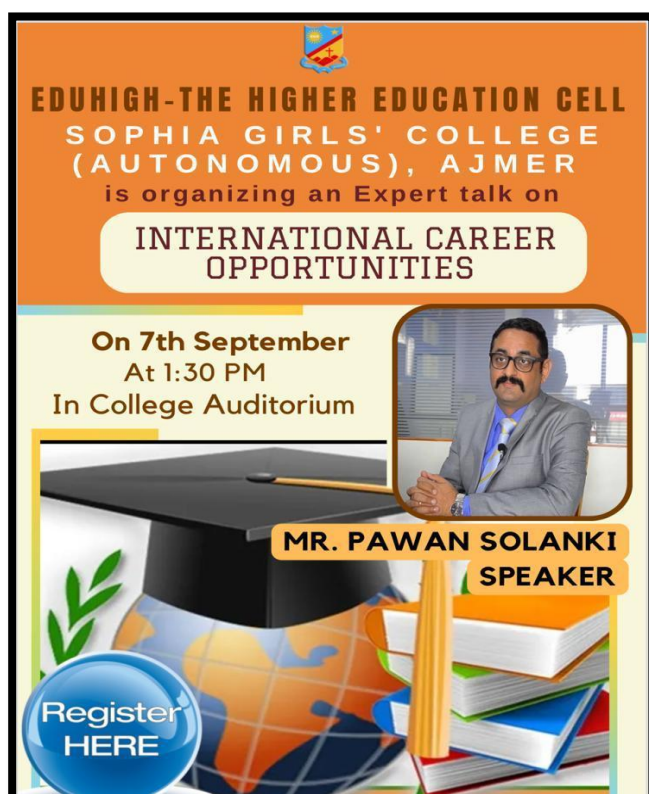

Special effort is made to tap the talent of the students who have

natural flair for music, dance, drama, art, craft, designing. This completion challenge their skills and they were judged on the basis of vision and creativity and overall performance.

The competitions emphasized on promoting a fun way of enriching the learning process and fostering team building. And all the students participated enthusiastically along with competitive spirit.

Thereafter, the judgement too place and the best performances were awarded. Results were declared in the assembly by the respected Principal Dr. Sr.Pearl.

An Expert Talk on International Career Opportunities

Date of Activity- 7th September, 2022.

Level- Institutional

Venue- Auditorium

Title of Event- An Expert Talk on International Career Opportunities

Number of Participants - 170

Description -

EDU-HIGH -The Higher Education Cell conducted an Expert Talk on International Career Opportunities on 7th September, 2022 to guide the students regarding International career opportunities for students after graduation in abroad. The Aim of this talk was to help the students to plan for the University Admissions across the globe and

how to bag the Scholarships in abroad Universities. This talk was also oriented towards creating awareness among the students with regard to prerequisites to apply for the abroad Universities.

Learning Outcome –

This talk broke the myth amongst students that studying abroad is expensive. This talk helped the students in exploring various self-employment options abroad. This talk gave an insight to the students with regard to various employment opportunities abroad and also helped the students with regard to VISA procedures.

Title of Event- International University fair “EDUFEST”

Number of Participants -88

Description -

EduHigh- The Higher Education Cell and Internal Quality Assurance cell in association with Global Reach conducted an International University fair-EDUFEST on 10th September, 2022 to guide the students regarding the higher education opportunities available across the International globe. This fest was chiefly oriented towards creating awareness among the students about the broad spectrum of

international Universities and their scholarship schemes. Representatives from 13 universities participated in the EDUFEST from Australia and Singapore.

Learning Outcome –

The students showed active participation and a zeal of enthusiasm was created. The ‘Fest’ created perception into new areas of International University scenario to the learners of our new generation. It aimed at making awareness related to the educational opportunities across the globe.

Quiz de Nombres

Date- 15th September 2022

Venue- Sophia Girls' College (Autonomous), Ajmer (Room no 16)

Name of the Activity- Quiz de Nombres.

Number of Students - 18

Description- A quiz on numerical and mathematical reasoning was organized by the French club to enhance the students' knowledge about the basics of Numerical Reasoning in French.

Learning Outcome Through this activity, the students were able to:

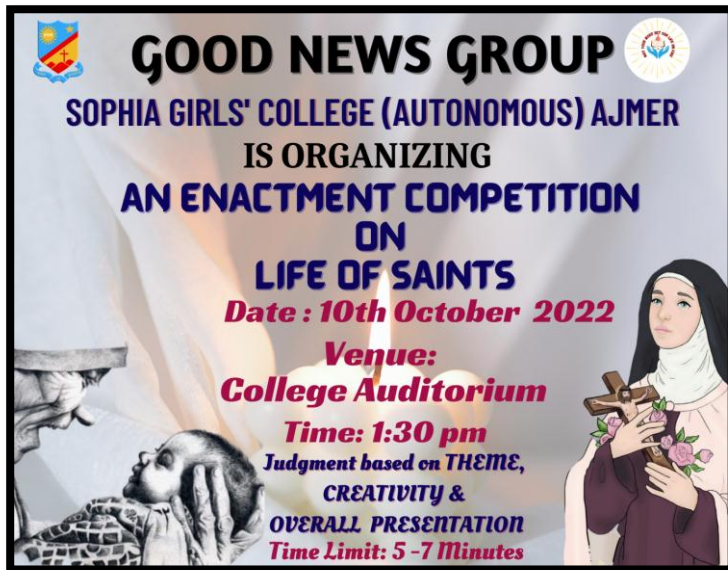

1. Expand their French vocabulary in the realm of mathematics, getting exposure to specialized mathematical terms

and expressions.

2. Enhance their comprehension of mathematical instructions and problems presented in French.

Enactment Competition

Name of the Forum – Good News Group

Name of the Activity- Enactment Competition

Date of activity- 10th October 2022

Number of Participants- 61

Venue: Sophia Girls' College (Autonomous), Ajmer

Objective of the Activity: The activity aims to cultivate the habit of

reading in our students. It also focuses on building confidence in our students.

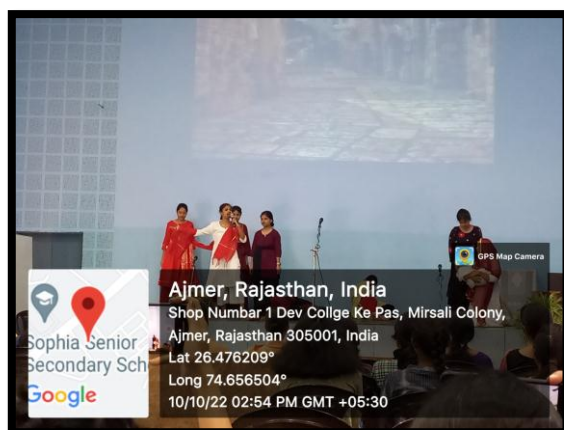

Report:

An enactment competition was held between four groups namely St Maria Goretti, St Paul, St Mother Theresa, St.Francis of Assisii and St.Rita based on the theme “Life Journey of Sainthood” of lesser-known saints.

The enactment was judged by Sr Lily Vice Principal, Sophia Sr.Sec School, Ajmer and Prof. Elver Aubert, Professor Sophia Girl’s College (Autonomous), Ajmer.

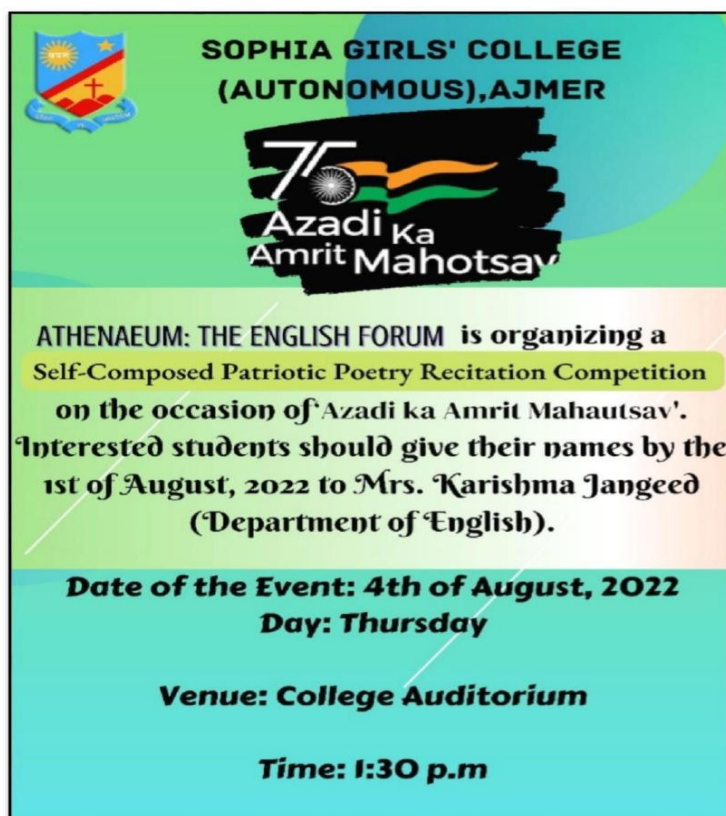

Learning Outcome:

It gave our students an opportunity to read the lives of saints. Activity also brought forth their hidden talents and gave them an opportunity to learn to work in unison as a team.

Picnic

Name of the Department:
Computer Science

Name of the Activity: Picnic

Total Number of Students: 93

Venue: Rishi Valley Resort, Pushkar.

Report:

The Department of Computer Science took an initiative to organize a picnic at Rishi Valley Resort, Pushkar on 17th August 2022. Dancing and singing in the bus, we reached the place by 10:00 am. As soon as we reached, the breakfast was served to us, then we changed and gathered for the swimming party and trekking fun. After a tiring and fun-packed afternoon, all headed for lunch.

Learning Outcome:

1. Gaining essential social skills and teamwork skills.
2. It helps to manage stress through busy lifestyle.
3. Picnic gives students a break from their studies and after enjoying a picnic, they feel fresh and renewed vigor.

Tiranga Rally

TIRANGA RALLY

Venue: Indoor Stadium
Date: 13th August 2022.
Time: 12:30pm onwards

ORGANISED BY
DEPARTMENT OF COMPUTER SCIENCE
SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER
IN COLLABORATION WITH

CANTONMENT BOARD, AJMER
(An Autonomous Body Under Ministry of Defence, Govt. Of India)

The poster features a blue background with the Indian national flag colors. It includes a silhouette of a person on a bicycle holding a flag, a group of hands raised in a gesture of unity, and a graphic of the Ashoka Chakra and the number '75' for Azadi Ka Amrit Mahotsav.

Name of the Activity: Tiranga Rally

Total Number of Students: 92

Venue: Sophia Girls' College to Cantonment Board Office Kundan Nagar Ajmer

Date: 13th August 2022

The Computer Science Department took an initiative to organize a Tiranga Rally as a part of "Har Ghar Tiranga" campaign to mark the occasion of 75 years of India's Independence at Sophia Girls College Ajmer. The students and the staff participated in it with pride and enthusiasm to showcase love for their nation. The students reported at 12:00 pm in the indoor stadium. The College also organized a flag distribution programme in the campus to facilitate "Har Ghar Tiranga" programme. The rally started from the indoor stadium of Sophia

College and ended at The Cantonment Board Office Ajmer.

Learning outcomes:

1. It increases self awareness and sensitivity to others, teaching students to help around them.
2. It enables children to become influential decision makers as they take ownership of the one performance or activity they commit to performing on Independence Day.
3. It fosters confidence and self-esteem, as well as drive and perseverance in education.

Leaning Outcome

3. To help them gain knowledge about various Courses in the field of Commerce and Management
4. To impart them knowledge about Digital Marketing.

Expert Talk on The Role of Data Analytics in Current Scenario

Name of the Department:
Computer Science

Name of the Activity: Expert Talk on The Role of Data Analytics in Current Scenario

Total Number of the Students:
93

Date: 29th August 2022

Venue: College Auditorium

Report:

An interesting workshop was organized by the Computer Science Department in the College Auditorium on 29th August 2022 from 12:30 pm onwards. The resource person Prof. Sachin Tripathi (ISDC, Bengaluru) reflected his profound knowledge on the most

specialized topic Data Analytics and informed students about the growing trend of data analytics in upcoming years and its significance for having a bright future ahead and also how every sector needs data to be analyzed whether it's Science, Sociology etc. The students got overview of the course and the role of Data Analytics in the current scenario. The informative expert talk culminated with a vote of thanks proposed by the Head of the Computer Science Department Mr. Gautam Chaturvedi. An interactive concourse ignited the inquisitiveness of participants on this topic.

International Workshop on Data Analysis using SPSS and R- language

About the College
Sophia Girls' College (Autonomous), Ajmer is an 'A+ Grade' accredited Institute by NAAC (UGC) and is affiliated to Maharaja's Dayanand Saraswati University, Ajmer. Since 1959 the College has been imparting quality higher education through its dedicated and conscientious staff with high academic credentials and diversity of courses. To inculcate scholarly excellence and make globally competent citizens, the Institution offers Generic, Skill Enhancement, Vocational & Diploma Courses for students. The College has an MHRD recognized Institutional Innovation Cell. It offers Cambridge English Level Certification, Diploma in French from the French Embassy, ISRO & DST sponsored programs under its aegis. As an initiative, towards Institutional, Social and Environmental Responsibility, the College has developed a 'Sustainable Environment' by developing Biogas, Water Harvesting Systems and is one of the fully solar electrified campuses in Rajasthan. In this globalized world of competition and performance, the companies in the process of hiring new employees give preference to candidates who are Certified Professionals. To keep up with the times, the College offers the following International Certification Courses that students can complete along with their regular Degree Programs:

- ✓ Data Analytics by Institute of Analytics, United Kingdom
- ✓ US-CMA by Institute of Management Accountants, US
- ✓ Digital Marketing by Digital Marketing Institute, United Kingdom
- ✓ Business Analytics by Institute of Analytics, United Kingdom
- ✓ ACCA-United Kingdom
- ✓ DELF Diploma in French Language Studies, France

Sophia Girls' College (Autonomous), Ajmer
Re-Accredited 'A+' Grade by NAAC (UGC)

About the Workshop
Research is one of the core components of higher education and higher education institutions (HEIs) are expected to create and disseminate knowledge to the society through students and professionals. Updating one's knowledge is indispensable in fields that have practical and technological implications. To address the challenges and capitalize on the opportunities in the field of research, numerous software have been developed. SPSS is one of the most popular software used by the researchers and professionals.

Objective
The main objective of the present Workshop is to enhance the knowledge in Statistical Analysis and Interpretation through SPSS. The workshop aims to provide sound fundamental base to the concepts of data analysis and hands-on training.

Outcome
After the completion of the workshop the participants will be able to:

- i) Select appropriate research methods for conducting empirical research.
- ii) Select appropriate statistical tool for the analysis.
- iii) Interpret data using SPSS and R Programming.

Target Group

- i) Research Scholars
- ii) Academicians
- iii) Professionals

Registration Fee
Research Scholars and Academician - 1500/-
Professionals - 2000/-
Last Date for Registration - 18/02/2023
*Extra Charges For Accommodation

INTERNATIONAL WORKSHOP on "DATA ANALYSIS using SPSS & R Language"
Organized by Department of Economics & Department of Computer Science
Sponsored by International Skill Development Corporation, UK
Institute of Analytics, UK
20th - 22nd Feb/ 2023

Name of the Department:
Computer Science & Economics
Department

Name of the Activity: International Workshop on Data Analysis using SPSS and R- language

Total Number of the Students: 50

Date: 20th – 22nd February 2023

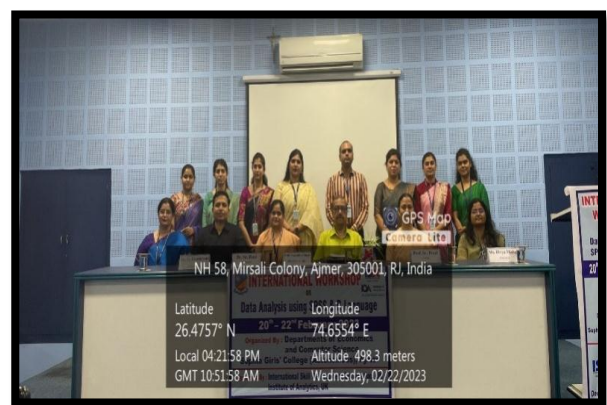

Venue: Computer Science Department

Report:
The workshop was inaugurated with the lighting of the lamp by our Chief

Guest and Keynote Speaker Mr. Vinod Kumar Murti, our Principal and Patron of the International Workshop Prof. Sister Pearl, co-patron Sr. Rani, Convener Ms. Divya Mishra, Co-Convener Mr. Gautam Chaturvedi.

Learning Outcome:

1. Students will develop the ability to select appropriate research methods for conducting empirical research.
2. Select appropriate statistical tool for the analysis.
3. Interpret data using SPSS and R Programming.

Sustenance Growth with Open Source Software

DEPARTMENT OF COMPUTER SCIENCE
SOPHIA GIRLS' COLLEGE (AUTONOMOUS), AJMER
IN COLLABORATION WITH

Red Hat
Is Organizing An
Online Expert Talk on
**"SUSTENANCE GROWTH WITH OPEN
SOURCE SOFTWARES"**

Resource Person :
Mr. Sanjay Srivastava
Head – Public Sector (Asia Pacific),
Training & Certification
Red Hat

At - 2:30 pm
On - 5 May 2023
Platform: Google Meet 1451015282080@gmeet.redhat.com

FOR MORE INFORMATION CONTACT: MR. GAUTAM CHATURVEDI (H.O.D. COMPUTER SCIENCE DEPT)

Name of the Department:
Computer Science

Name of the Activity: Sustenance
Growth with Open Source
Software

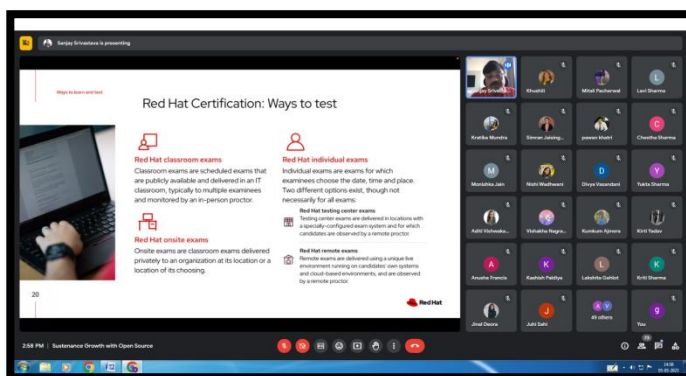

Total Number of the Students:72
Venue: Google Meet

Report: The Department of Computer Science took an initiative to organize an online session on Red Hat technologies which was conducted for students on **5th May 2023**, aiming to provide them with insights into the world of open-source software and the benefits of using Red Hat solutions. The session was organized to introduce students to the fundamental concepts of Red Hat, its significance in the IT industry, and how it can contribute to their career growth. Students not only learned about Red Hat's solutions but also gained insights

into the broader open-source community and the benefits it offers. This session undoubtedly contributed to their technical knowledge and potential career growth.

Learning Outcome:

1. Gives an idea of role of Red Hat in the current scenario
2. Career-wise exploration of open-source software
3. Knowledge about course pattern and modules

Patent Filing

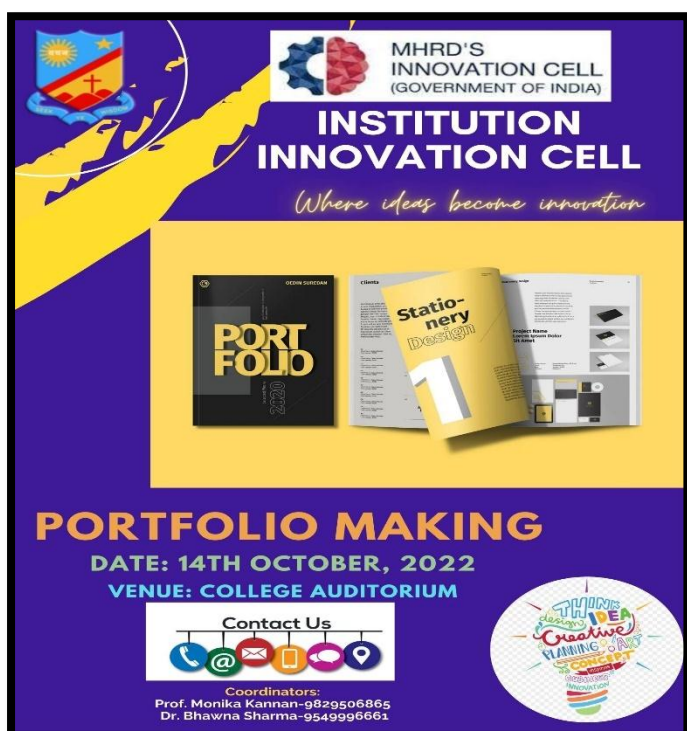

The poster is for a 'Patent Filing' workshop. At the top left is the logo for MHRD'S INNOVATION CELL (GOVERNMENT OF INDIA). To its right is the logo for Pillai HOC College of Engineering & Technology (PHCET), Mumbai. Below these logos, it states 'INTERNAL QUALITY ASSURANCE CELL (IQAC) IN COLLABORATION WITH INSTITUTION INNOVATION CELL (IIC)'. A quote reads 'Where ideas become innovation'. The speaker is identified as 'DR. KARTIK NAGARAJAN, PILLAI HOC COLLEGE OF ENGINEERING & TECHNOLOGY (PHCET), MUMBAI'. The central graphic features a red 'PATENTED' stamp and a 'PATENT REGISTRATION' stamp. The main title 'PATENT FILING' is in large green letters, with 'Online' written in a smaller font to its right. Below the title, the date is 'DATE: 17TH OCTOBER, 2022' and the venue is 'VENUE: COLLEGE AUDITORIUM'. A 'Contact Us' section includes icons for phone, email, and location. At the bottom, coordinators are listed: 'Prof. Monika Kannan-9829506865' and 'Dr. Bhawna Sharma-9549996661'. On the right side, there is an image of a hand placing a block labeled 'INTELLECTUAL PROPERTY' on top of blocks labeled 'COPYRIGHT', 'PATENTS', 'INVENTION', and 'TRADEMARK'.

- **Date** – 17th October, 2022
- **Level-** Institutional
- **Mode-** Online
- **Title of the event -** Patent Filing
- **Total Number of the Participants** – 196

The need for intellectual property in technology-driven companies. The aim of this workshop was to enthuse students towards filing patents on their projects and future startups and to catalyse awareness about the Intellectual Property Right (IPR) among people with special reference to patenting. The various aspects like how to search, draft including filing and prosecution procedure etc. were covered in this workshop.

Portfolio Making

- **Date** –14th October, 2022
 - **Level**- Institutional
 - **Venue**- College Auditorium
 - **Title of the event** - “Portfolio Making”
 - **Total Number of the Participants** – 347 Students
- The Institutional Innovation Cell (IIC) of Sophia Girls’ College (Autonomous) Ajmer organized an activity on the topic “Portfolio Making” on the 14th October, 2022. To inculcate a culture of innovation amongst students and to enable them to generate new ideas and become more innovative, IIC organized an

interactive session on Portfolio Making.

Learning Outcome

1. The activity aimed to enhance the knowledge of the students about research paper writing and dissertation writing skills. Also provide the information regarding dissertation compilation.
2. The purpose of this activity to enlighten the knowledge about analysis techniques of research, topic selection, avoidance of plagiarism and references to the PG Students.

Website Designing

Date –11-13th October, 2022

- **Level-** Institutional
- **Venue-** Computer Lab 1
- **Title of the event-** “Website Designing”
- **Total Number of the Participants** – 551 Students

The Institutional Innovation Cell (IIC) of Sophia Girls’ College (Autonomous) Ajmer organized an activity on the topic “Website Designing” on the 11-13th October, 2022. Effective web designing and development can help our budding entrepreneurs to generate long-term customer relationships because it provides a platform to connect with present & potential

customers. With this view, IIC organized a workshop on Website Development using WordPress.

Learning Outcome

- The activity aimed to enhance the knowledge of the students about research paper writing and dissertation writing skills. Also provide the information regarding dissertation compilation.
- The purpose of this activity to enlighten the knowledge about analysis techniques of research, topic selection, avoidance of plagiarism and references to the PG Students.
