Dear Hridayanshi Joshi,

Thank you for your application to study at The University of Manchester. I am delighted to make you an unconditional offer of a place on the above course.

The University charges different tuition fees depending on whether a student is classified as Home or International, using criteria outlined in the Education (Fees and Awards) (England) Regulations (2007), the Higher Education (Fee Limit Condition) (England) Regulations 2017 and any other relevant regulations. From the information you have provided to us and based on the regulations currently available to us, you have been classified as a Overseas student for tuition fee purposes. Please note that your fee status can be subject to review if other information becomes available and that in exceptional cases your fee status may change.

2023/24 Academic Year: The tuition fee for this course will be GBP 28500.00.

The tuition fee will remain the same for every year of study.

Most international students studying for more than six months will need to obtain a visa via the Student Route to study in the UK. For attendance of less than six months duration, for example a single semester, students will be able to apply for a Standard Visitor Visa. This offer is not a confirmation of your eligibility for a visa. Further information in relation to visas for international students is available at: [International Students](#).

In the event that you accept and satisfy any conditions set out in this offer you will be invited to complete a Right to Study check. This will determine if a visa is required. Following completion of this check, a confirmation of acceptance for studies (CAS) or a letter to support your Standard Visitor Visa application will be sent to you if required. The University reserves the right to refuse admission should you arrive after the latest date for acceptance onto the course specified in your CAS.

Self-funded international applicants for this course will be required to pay a deposit of GBP 1000.00 towards their tuition fees before a Confirmation of Acceptance for Studies (CAS) is issued. This deposit will only be refunded if immigration permission is refused, more information can be found on our website: <https://www.manchester.ac>.
